Remarks

Note: Remarks are not for responding to an office action.

This application is a continuation of Application Serial Number 110/250,148. All references listed herein, with the exception of this parent case, were cited by the examiner or submitted by applicants in this parent case. Therefore, a "concise explanation of relevance" under 37 CFR 1.98(a)(3) and MPEP 609 A(3) for all of the references submitted by applicants in the parent case - though optional for English-language references - has already been provided in connection with said parent case. The relevance of these references to the present application is the same as the relevance of these references to the parent case, and so the concise explanations of relevance provided for these references with the parent case will be relied upon for the present case as well, and will not be repeated herein. (See MPEP 609 A(2) and A(3)) None of the references cited herein anticipates or renders obvious, the disclosures and claims of the present application.
